# Overall Confidence of Law Firm Leaders: 2011 – 2016

**“What is your overall level of confidence that your firm is fully prepared to keep pace with the challenges of the new legal marketplace?” (on a scale of 0 to 10)**

*While the majority of US law firm leaders have steadily reported a moderate level of confidence since 2011, there has been a marked swing away from the high confidence rating and an equal increase in the lower rating.*
